

Call for Volunteers for the AAPI Heritage Month

Wednesday, May 22, 2024

LaGuardia Community College will host the AAPI Heritage Month Cultural Celebration on Wednesday, May 22, 2024. We are calling for student, faculty, and staff volunteers to help ensure the event's success. Volunteers will have the opportunity to work closely with the AAPI Heritage Month performers and gain valuable experience in event management, communication, and teamwork.

Volunteers will assist with event setup, guest check-in, food distribution, and provide general assistance throughout the event. Volunteers should be available from 2:00 pm to 5:00 pm on Wednesday, May 22, 2024, although partial availability is also welcome. Those interested in volunteering should sign up at <https://bit.ly/lagccEventReg>.
